Overall Diameter:

3.180 inches

End Application:

Compressor, m.C. Aerospace corp., model mc2011-12

Product Name:

Cover assembly

Special Features:

Consists of a passivated stainless steel sleeve hardened to h1025 rockwell 15n; inside diameter is 2.325in.

Material:

Aluminum

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
