Cylinder Quantity:

1

End Application:

Air compressor, dresser-rand co, ingersoll-rand opns a joint venture, model 14g5l4-3; navy weapons system code, th, strategic sealift conversion ships class

Usage Design:

Marine

Compressor Source:

88663

Compressor Model Number For Which Designed:

14g5l4-3

Special Features:

Used on 1.312 in. Diameter cylinder

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A517u0
