Overall Length:

2.900 inches

Overall Height:

0.025 inches

End Application:

5855--01-378-4634

Special Features:

There is a 0.180in. Wide gap in one wall the length of the item

Material:

Nickel alloy

General Description:

Material is nickel-iron alloy per ams 7717 from 0.025in. Sheet; inside diameter is 1.750in.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
