Body Diameter:

0.770 inches

Body Inside Diameter:

0.120 inches

End Application:

Wsd: moored training ship; replacement filter for a sampling pump

Design Type:

Nonreusable

Bodylength:

0.980 inches

Thread Size:

0.190 inches

Product Name:

Filter, type b 800093

Material:

Aluminum alloy filtering medium

Thread Series Designator:

Unf

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A24000
