Cooling System Design:

Single

Special Features:

N400/460, 3ph, 50/50 hz, steel shell painted on plate connection, size .380df, .500dm, dimension approximately 5.25 length, 233"width, used on single package cooling unit 90ma-mf-mu serial no. C96741

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A026a0
