Overall Width:

6.810 inches

Body Thickness:

0.580 inches

End Application:

Nsn 5895014799735

Bodylength:

22.880 inches

Filtering Media Design:

Mesh single filtering media response

Product Name:

Filter element, intake

Material:

Any acceptable body

Style Designator:

Rectangular (incl square)

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A24000
