**End Application:**

Nssn class submarine, special ventilation filters

**Product Name:**

Charcoal filter housing assembly

**Special Features:**

20.6 in x 24.3 in x 23.8 in charcoal filter housing dimensions; inlet flange: 10 in x 5.5 in.; outlet flange: 7.6 in. Dia; racks support charcoal filters

**Material:**

Steel comp 304 body

**Media For Which Designed:**

Air

**Style Designator:**

Rectangular (incl square)

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A24000
