**Compressor Quantity:**

1

**Duty Cycle In Percent:**

100

**Gas For Which Designed:**

Air

**Discharge Pressure:**

175.000 pounds per square inch gage

**Product Name:**

Two stage splash lubricated air compressor

**Special Features:**

Horse power 7.5; 80 gallon vertical tank

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A026a0
