Compressor Quantity:

1

Duty Cycle In Percent:

100

Gas For Which Designed:

Air

Discharge Pressure:

175.000 pounds per square inch gage

Product Name:

Two stage splash lubricated air compressor

Special Features:

Horse power 7.5; 80 gallon vertical tank

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A026a0
