End Application:

Dehydrator module 207-35010; compr unit rotary screw-125 psi 300 scfm

Component Quantity:

2

Component Document Origin:

Industrial

Document Source:

28953

Document Type:

Bill of material

Package Model Number:

204-30588

Product Name:

Kit, coalescing

Special Features:

Kit contains 1pc o-ring 123-032-5, 1pc 77-8680 filter, coalescing

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23800
