End Application:

New construction lcs2

Product Name:

Diaphragm and retainer, z20

Special Features:

Material: ptfe bonded to epdm; includes retainer; next higher assembly: p/n ezb20d1-vc single head chemical feed pump

Material:

Plastic polytetrafluoroethylene and rubber

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A540a0
