Overall Length:

2.260 inches

Overall Width:

0.3755 inches

End Application:

2520-00-318-1142 mechanical transmission

Special Features:

Case hardened to 0.030 in. Depth per ra 80-83

Material:

Stainless steel

Material Specification:

Qq-s-633, comp c1018 to c1025 federal specification single material response

Thickness:

0.3755 inches

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A506f0
