Intake Connection Quantity:

1

Discharge Connection Quantity:

1

Drive Connection Type:

Spur gear

Media For Which Designed:

Hydrocarbon fuels and oils

Pumping Element Operating Position:

Horizontal

Rotary Pump Design:

Gear

Operation Method:

Powered

Drive Shaft Type:

Woodruff keyway

Features Provided:

Integral relief valve

Special Features:

Intake connection type: port; discharge connection type: port

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A19400
