**Intake Connection Quantity:**

1

**Discharge Connection Quantity:**

1

**Drive Connection Type:**

Spur gear

**Media For Which Designed:**

Hydrocarbon fuels and oils

**Pumping Element Operating Position:**

Horizontal

**Rotary Pump Design:**

Gear

**Operation Method:**

Powered

**Drive Shaft Type:**

Woodruff keyway

**Features Provided:**

Integral relief valve

**Special Features:**

Intake connection type: port; discharge connection type: port

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A19400
