**Drive Connection Type:**

Gear

**Media For Which Designed:**

Hydrocarbon fuels and oils

**Pumping Element Type:**

Piston

**Reciprocating Stroke Type:**

Variable

**Drive Shaft Type:**

Splined, involute external

**Reference Number Differentiating Characteristics:**

As differentiated by airesearch source control part no. 954034&2

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A19400
