Maximum Operating Pressure:

2250.0 pounds per square inch

Pump Quantity:

1 and 1 and 2

Portability:

Nonportable

Pump Type:

Axial piston and centrifugal and vane

Pump Drive Type:

Electric motor and electric motor and electric motor and electric motor

Hydraulic Fluid Reservoir:

Included

Reservoir Capacity:

220.0 gallons

Accumulator:

Included

Err Default:

Err default

Fluid Filter:

Included

Fluid Filter Type:

Pressure

Manifolding Hose Set:

Not included

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T103-n
