End Application:

General electric source control number 6008t97 and bendix part number 39e94-11

Component Document Origin:

Industrial

Document Source:

99551

Document Type:

Parts list

End Item Source:

99207 and 99551

Document Identification:

PI2492312

End Item Name:

Pump, variable engine nozzle hydraulic control

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23800
