Inside Diameter:

0.938 inches

Criticality Code Justification:

Zzzy

Material:

Steel, corrosion resisting

Material:

Stainless steel

Style Designator:

Round, stepped

Reference Number Differentiating Characteristics:

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23700
