**Inside Diameter:**

0.938 inches

**Criticality Code Justification:**

Zzzy

**Material:**

Steel, corrosion resisting

**Material:**

Stainless steel

**Style Designator:**

Round, stepped

**Reference Number Differentiating Characteristics:**

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A23700
