End Application:

Allis chalmers mfg co model 6x4 type cfsd2v centrifugal pump

Special Features:

2nd stage

Material:

Copper alloy 934

Material Specification:

Mil-b-16261, grade 2 military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A19900

Mil-std (military Standard):

Mil-b-16261 spec.
