**End Application:**

Pump, centrifugal

**Material:**

Copper alloy 910

**Material Specification:**

Mil-b-16261, grade 3 military specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A19900

**Mil-std (military Standard):**

Mil-b-16261 spec.
