Shaft Length:

6.240 inches

End Application:

Peacekeeper missile t and h

Shaft Largest Diameter:

0.997 inches

Special Features:

4340 steel per mil-s-5000, condition e; surface treatment, cadmium plate per qq-p-416, class i, type ii

Material:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A520d0
