Maximum Operating Pressure:

3000.0 pounds per square inch

Inlet Connection Type:

Threaded female

Inlet Connection Quantity:

2

Outlet Connection Quantity:

2

Outlet Connection Type:

Threaded male

Hose:

Not included

Specification Data:

27005-psc62n00 professional/industrial association specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T103-b
