Mounting Base Length:

395.0 millimeters

Mounting Base Width:

330.0 millimeters

Mounting Base Height:

75.0 millimeters

End Application:

4320-01-372-3467 rotary pump unit

Design Type:

Rectangular base plate

Pump Design Control Activity:

25060

Special Features:

Fabricated of plate; box tube and I-channel; 4 holes 12.0mm diameter base plate fixing holes; 4 holes 11mm diameter pump mounting

Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A518x0
