End Application:

170' coastal patrol

Pump Design Control Activity:

9f512

Pump Model Number For Which Designed:

Pv10211bc00

Special Features:

Port block, counterclockwise rotation, inlet and outlet connections unf sae-20 threads

Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A501z0
