Stage Quantity:

1

End Application:

Strategic sealift conversion ships class

Usage Design:

Marine

Body Material:

Stainless steel

End Item Design Control Activity:

58568

End Application Designator:

Pumping unit, sewage 3999282

Special Features:

45.0mm nozzle

Type/model Designation:

Orca iia 70

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A510z0
