Body Style:

Plain

End Application:

4320-01-410-9989 carver pump co., centrifugal pump n-998-6064-b-001vm, chilled water circulation pump spcc id 4c-3500-7.54nm

Special Features:

Under-sized

Material:

Nickel alloy and copper alloy

Material Specification:

Mil-c-24723 comp -25-s military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A19900

Mil-std (military Standard):

Mil-c-24723 spec.
