**Drive Connection Type:**

Close coupled

**Media For Which Designed:**

Hydrocarbon fuels and oils

**Pumping Element Type:**

Piston

**End Application:**

Shipboard material handling equipment

**Pumping Element Operating Position:**

Horizontal

**Pump Reciprocating Design:**

Single acting

**Drive Shaft Type:**

Splined, involute external

**Special Features:**

USED-ON-CAT-ERPI

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A19400
