Overall Length:

7.620 inches

Overall Height:

5.310 inches

Overall Width:

7.620 inches

End Application:

1025-01-417-9312 re198 recoil exerciser used on 1025-01-026-6648 towed medium howitzer

Pressure Rating:

10000.0 pounds per square inch

Special Features:

Used on enerpac-applied power model hp50034204 tilt cab pump

Material:

Iron

General Description:

Octagon in shape; hardness to brinell bhn 156-217 per sae j434c

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
