Drive Connection Type:

Spur gear

Media For Which Designed:

Hydrocarbon fuels and oils

End Application:

Shipboard material handling equipment

Pumping Element Operating Position:

Horizontal

Rotary Pump Design:

Gear

Operation Method:

Powered

Drive Shaft Type:

Woodruff keyway

Special Features:

Used on 3/90-94 ford 3230, 3430, 3930 and 4630 tractors w/diesel engine

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A19400
