Rotary Pump - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4320-01-432-7503

Drive Connection Type:
Spur gear
Media For Which Designed:
Hydrocarbon fuels and oils
End Application:
Shipboard material handling equipment
Pumping Element Operating Position:
Horizontal
Rotary Pump Design:
Gear
Operation Method:
Powered
Drive Shaft Type:
Woodruff keyway
Special Features:
Used on 3/90-94 ford 3230, 3430, 3930 and 4630 tractors w/diesel engine
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A19400
