Centrifugal Pump - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4320-01-439-5319

Mounting Type:
Base
Stage Quantity:
1
Intake Connection Quantity:
1
Intake Connection Type:
Round flange
Discharge Connection Quantity:
1
Discharge Connection Type:
Round flange
Drive Connection Type:
Flexible coupled
Media For Which Designed:
Hydrocarbon fuels and oils
Pumping Element Operating Position:
Horizontal
Centrifugal Pump Design:
Mixed flow
Centrifugal Pump Impeller Quantity:
1
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A19400
