Mounting Type:

Flange

Mounting Hole Quantity:

2

Bolt Hole Quantity:

4

End Application:

Air compressor, auto crane, model ac-60

Connection Quantity:

1

Connection Type:

Inlet

Connection Design:

Flanged

Special Features:

Hydraulic drive motor for auto crane ac-60 air compressor

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T103-f
