**Mounting Type:**

Flange

**Mounting Hole Quantity:**

2

**Bolt Hole Quantity:**

4

**End Application:**

Air compressor, auto crane, model ac-60

**Connection Quantity:**

1

**Connection Type:**

Inlet

**Connection Design:**

Flanged

**Special Features:**

Hydraulic drive motor for auto crane ac-60 air compressor

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

T103-f
