Cylinder Quantity:

1

Cylinder Material:

Metal

Cylinder Length:

3.000 inches

Cylinder Inside Diameter:

0.500 inches

Action Type:

Single

Operation Method:

Hand

Hose:

Not included

Outlet End Connection Type:

Unthreaded

End Connection Type:

Barbed

Folding Handle:

Not included

Product Name:

Pump assembly

Special Features:

Pump assembly for tank tender tank level measuring system

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T103-c
