**End Application:**

Navy weapons code 26, propulsion systems

**Connection Type:**

Threaded internal pipe

**Connection Location:**

Outlet connection

**Connection Size:**

1.500 inches

**Pump Design Control Activity:**

19548

**Pump Model Number For Which Designed:**

165al-30

**Special Features:**

Discharge chamber for edson bone dry marine diaphragm pump

**Material:**

Aluminum

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A515f0
