Pump Type For Which Designed:

Centrifugal

End Application:

Navy weapons code th, strategic sealift conversion ships class

Shaft Type:

Impeller shaft

Product Name:

Shaft

Pump Design Control Activity:

93232

Pump Model Number For Which Designed:

5lrv-10 mi-50199

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A520d0
