Overall Length:

3.000 inches

Overall Height:

4.120 inches

Overall Width:

0.900 inches

End Application:

WATE-RP-UMP-MODU

Product Name:

Clamp assembly, hold down, water pump

Special Features:

Material is cres 304 per astm-a240

Material:

Stainless steel

Surface Treatment:

Paint

General Description:

Hold down clamp assembly for water pump

Thread Size And Series/type Designator:

0.312-18 unc

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
