Body Material:

Steel, stainless

Thread Direction:

Right-hand

Thread Size:

0.500-13

End Application:

Ticonderoga class cg (47)

End Connection Type:

Threaded male

Angle Body Feature:

Not included

End Connection Similarity:

Not identical

Pipe/tube Size:

1/2 in. Pipe

Special Features:

Nha valve electrical actuating; length 1.910 in.; diameter 0.970 in.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T103-d
