Extra Long Reference Number:

Ghs2nm3- (25c)(40c)(70a)(90453-799)(28279-521)

Special Features:

Item known as fuel pump; description: ghs2nm3-b pump without relief valve (25c) and including carbon bushings (40c)(70a), gear reducer, base and guard (90453-799), and 10hp, 1750 rpm, 208-230-460 3 phase tefc motor with c face mounting (Im16243)

Reference Number Differentiating Characteristics:

Asdifferentiated by extra long reference number

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A19400
