Cylinder Quantity:

1

End Application:

7m rib

Maximum Discharge Flow Rate:

28.0 gallons per minute

Pumping Element Operating Position:

Vertical

Operation Method:

Manual

Product Name:

Titan pump, through deck mount

Special Features:

Powerful, lightweight bilge pump; constructed from non-corroding materials. Quick release clamp for speedy maintenance, removable handle can be oriented in any direction, body: plastic, ports: 1 1/2"; up to 85 litres (22 1/2 us gl/min)

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A19400
