End Application:

Tristar aircraft

Connection Type:

Threaded external boss

Connection Location:

Outlet connection

Connection Size:

1.500 inches

Pump Design Control Activity:

24984

Pump Model Number For Which Designed:

MI009-16-0016

Material:

Steel comp 304

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A515f0
