End Application:

Pump, rotary, 90 gpm, 990 psi, 1780 rpm

Pump Design Control Activity:

59180

Pump Model Number For Which Designed:

C6dvcx-250d/317 imo pump

Special Features:

Manufacturers item name: power rotor subassembly

Material:

Steel

Material Specification:

Nitralloy 135m mfr ref all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A515j0
