Media For Which Designed:

Hydraulic fluid

End Application:

Hydraulic unit, target equipment

Pumping Element Operating Position:

Horizontal

Special Features:

Pump/motor/reservoir/valve; check valve; .250 in. Npt outlet; horizontal mounting standard

Type/model Designation:

M-3551

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A19400
