Maximum Operating Pressure:

5000.0 pounds per square inch

Mounting Type:

Wheel

Portability:

Portable

Operation Method:

Power

Hydraulic Fluid Reservoir:

Included

Reservoir Capacity:

38.0 gallons

Fluid Filter:

Included

Fluid Filter Type:

Pressure

Rolling Element Type And Quantity:

4 wheel

Product Name:

Pumping unit, hydraulic, diesel/electric

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T103-n
