**Maximum Operating Pressure:**

40.0 pounds per square inch

**Pump Quantity:**

1

**End Application:**

Bear water system

**Operation Method:**

Power

**Pump Type:**

Centrifugal

**Pump Drive Type:**

Electric motor

**Product Name:**

Industrial operations & flightline extension

**Special Features:**

98752-pd04wrleeg67 type v

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

T103-n
