**End Application:**

Nha: hydraulic cylinder, fasi

**Product Name:**

Seal

**Special Features:**

Bore-3.25in.; stroke-55.00in.; rod diameter 1.375in.; fluid - hydraulic; polyurethane material that will not react chemically with petroleum-based hydraulic fluid

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A23900
