End Application:

Hydraulic group

Component Quantity:

7

Component Document Origin:

Industrial

Document Source:

75160

Document Type:

Parts list

Component Document Page Number:

647

Package Model Number:

Cb11452988

Document Identification:

2161-7

Special Features:

Kit includes: seal 1pc; seal 2pcs; seal 2pcs; gasket 2pcs; seal kit used on hydraulic pump; part of main hydraulic system, hydraulic pumps and drives

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23800
