**End Application:**

Boat, barrier, 19 ft./19bb0401

**Product Name:**

Vane pump

**Special Features:**

Opert number breakdown: v=vane pump; 2020=series; f=cover type, flow control cover; 1=mounting, flange; f=inlet port, 4-bolt flange; 13=ring capacity-shaft end, 13 us gpm; s=no. 1 outlet por (shaft end), 1.062-12 un-28 thread; 11=ring capacity-cover end for flow control cover, .750-16 st. Thd.(pressure) 1.062-12 st. Thd. (tank) ; 1=shaft type, straight thread; dd=outlet position, 90 degrees cw from inlet; 8=flow rate, through orifice in cover us gpm; h=pressure setting, 2000

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A19400
