**End Application:**

Pump, in port dump condensate

**Product Name:**

Shaft sleeve, lower

**Special Features:**

Weight 2.5 lbs.; hot finished and age hardened; for pump type 5-2 cv-18 w/special sleeve bearing

**Material:**

Nickel alloy and copper alloy and aluminum alloy

**Material Specification:**

Qq-n-286 uns n05500 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A045a0
